<b>Question:</b> Please describe your own level of effort for this course.
<b>Response Rate:</b> 58.97% (23 of 39)
1 i tried.
2 i put an A effort
3 decent
4 Not much effort because I've seen most the information but still tried to get the A.
5 My personal level of effort was always pushing for an A, this course was fairly easy having everything at my fingertips on BBlearn, and creating easy quizzes and assignments for us students.
6 My effort in this class is not as high as it could be because I have already learned this material in my HA 210 class because I am taking HA 100 second semester so it feels a little pointless to me
7 Minimal effort but just enough for an A
8 I think I put in a good amount of effort. I do all my assignments and quizzes on time.
9 I think I put a fair amount of effort into this class

10	I put a forth a small amount of effort in this class. But I should've put more effort in
11	I made sure all my assignments were done on time and that I did my best to make it to class. Unfortunately I'm ADD and having a new class half way through messed me up a bit and i sometimes forgot but I'm proud of myself for getting things done on time and doing my best.
12	I kept track of my work in this class and would like to think that I did really well. I did miss the first day of class though so that was pretty embarrassing.
13	I have given enough effort to pass this class.
14	I gave this class my full attention.
15	I enjoyed coming to class and listening to different aspects of the hospitality industry. I was quite fascinated with how everyday events can be apart of the hospitality industry, even just being kind is a type of hospitality.
16	I did everything to my best ability and used my resources to get the assignments done.
17	I did everything well and on time, plus I did some extra credit.
18	I could have tried harder in this class, but I do not feel it would have effected my grade very much.
19	I believe i tried my best with doing all the quizzes and understanding the material .
20	Havent studied a bit but I took this same class when working full time at hilton grand vacations but that time i got paid for it.... :c
21	Definitely could've tried harder, just dealing with some personal issues right now.
22	About 1 hour a week.
23	3 out of 10

1	u rock
2	We had a Good run.
3	This course was really easy! He made it a very easy subject to understand and the class was very laid-back. I really enjoyed this class because it called for a lot of open discussion and it wasn't very stressful. The slides were easy to understand and all the information was online, which was really helpful. I would have enjoyed doing more in class activities though, or simulations even.
4	This class was great and i loved hearing his stories.
5	Super funny and kind!
6	N/a
7	Mr McKeown is very knowledge about the subjects he teaches and is always open to suggestions for students.
8	I wish we could have gone off the powerpoint a bit and possibly done some group work.
9	I really like the atmosphere of the class! I have this class in the morning, but I don't have to worry about falling asleep or being bored because it is such an inviting environment. Prof. Mc Keown has a lot of stories regarding the hospitality industry since he has a lot of experience; I really enjoy hearing them and makes the class fun.
10	I really enjoyed this class. I knew when everything was due, what you were expecting, what I needed to include in papers.
11	I really appreciated how you took late assignments and allowed us to take the quizzes even after they were due.
12	I loved the class because we talked about interesting things all the time and I was never bored! Also, touring Red Lobster was so fun and interesting!
13	I like how he gives a lot of personal examples for different subjects we are learning about.
14	I felt like he was an amazing and understanding instructor. He seems to truly understand were college kids we mess up or forget assignments sometimes and he caters to that. He has one of the kindest hearts i've come across in a long time.
15	I already knew most of the information because I am taking the HA 210 class already but fun class and interesting stuff!
16	He got straight to the important information, and did not have us do busy work which I appreciate tremendously. Every assignment and discussion helped me learn something new.
17	He did a good job of keeping the class's attention
18	Boring class but he definitely keeps it interesting
